- Board agreed to discuss task force report at next Board meeting.

Lordship Bluffs Restoration Project

- Conservation effort spans 4 seasons, documenting native and non-native plants.

#### **Committee Reports**

Parks & Beautification (Karen)

- Call for volunteers to join planting efforts.

Education and Environment (Christine)

- Blue Raptor bird event was well attended by residents and families. Daffodil town planting effort is at 73% success.

Communications (John)

- LIA 2026 Calendar: We're nearing a sellout, and the profit margin would be too small to order 25 more. Calendar sales will be capped at 165. We also received \$725 in advertising. Thank you to all purchasers, sales hosts and advertisers!

- LIA Website & Social Media: Recently posted feature by Emily Viner updates the Lordship Bluffs Restoration Project. Feature links and news are frequently posted on NextDoor/Lordship, the LIA Facebook group page (445 members), and LIA NEWS blog (292 subscribers).

**Board of Governors Meeting that typically follows committee meeting was rescheduled to December.**
